TERMS OF REFERENCE

I. PROJECT TITLE: DESIGN AND SET-UP OF THE PHILIPPINE
PAVILION FOR WORLD TRAVEL MARKET 2023

EVENT : WORLD TRAVEL MARKET 2023
VENUE : LONDON, UNITED KINGDOM
DATE : 06 – 08 NOVEMBER 2023

II. BACKGROUND:

The Tourism Promotions Board (TPB), in cooperation with the Philippine Department of Tourism - United Kingdom overseas office, will again participate in the World Travel Market (WTM) 2023 from 06 to 08 November 2023 at the ExCel London, United Kingdom.

Year-on-year, the WTM allows tourism businesses from around the globe to showcase their brand and exhibit at the show along with the biggest names in accommodation and hospitality, renowned tourism destinations and attractions, innovative travel technology providers, and airlines. The event helps NTOs and international travel providers do business with world-class travel buyers and showcase their services to the international press.

This year, WTM hinges on the concept of the trade fair as a powerhouse where tourism ministers and industry leaders come together to harness the power of travel to expand opportunities, strengthen economies, widen employment, and create new futures hence the event's theme, ***"You have the power to change travel. And travel has the power to change the world."***

The Philippines' participation this year aims to highlight the country's award-winning destinations and exude the country as the best destination for relaxation, exploration, and inspiration. With the expected consolidation of the travel industry within the year, the participation of the Philippines in WTM continues to be a great opportunity to capture the huge interest it is gaining in the European market.

III. PURPOSE/OBJECTIVES:

The Tourism Promotions Board (TPB) Philippines through the Department of Tourism – London Office is in need of the services of a Booth Contractor who has the capability to implement the design of the Philippine Pavilion into a most feasible structural form that will conform to the exhibit guidelines of the venue.

1. The Company must be an accredited contractor of the Reed Exhibitions, organizer of the WTM 2023;
2. The Company must have a dedicated team who will focus on Set-up;
3. The Company must have a minimum of five (5) years of experience in the business of setting up of special booths for large-scale events, preferably in tourism travel trade fairs/exhibitions; and,
4. The Company must have the capability to invest, purchase, and coordinate its shipment, to the WTM site, of Philippine-made decorations and accent pieces needed to complete the Philippine experience through its pavilion design.

The concept for the Philippine Pavilion should have a total design approach – being able to integrate Filipino creativity & artistry, interior design, furniture, home accessories and space planning while showing how to strike a balance between business opportunities and social responsibilities. The design must be environmentally and sustainably created featuring the principles of ecological sustainability. The Filipino brand must also be included as part of the holistic appeal and shall highlight the wellness tourism product of the country.

The design of the Philippine pavilion aims to attain the following objectives:

1. Generate positive “name recall” of the Philippine tourism brand and strengthen the Philippines’ claim to be a preferred tourist destination for the European market;
2. Create an atmosphere that reflects a modern Philippines claiming its position as one of the premiere destinations in Asia;

3. Showcase cross-promotion of Philippine tourism and trade products (Philippine textiles, food/culinary, furniture, architecture, and the likes);
4. Attract and encourage buyers, consumers, press and travel trade guests to visit the Philippine Pavilion;
5. Feature Filipino brand in tourism and wellness tourism product offerings through senses that can bring a feeling of warmth and immediately connect them to the country;
6. Provide a highly functional, interactive yet visually appealing area for the provision of Philippine tourism information, product updates, audio visual presentations, table top business meetings, and other promotional activations;
7. Highlight the featured Philippines destinations with focus on tourism and trade products;
8. Incorporate the use of interactive display solutions, new digital technology, and/or augmented reality devices in presenting Philippines to the European market; and,
9. The design should incorporate Philippine architecture or traditional Filipino design that uniquely identifies the Philippines.

IV. SCOPE OF WORK/DELIVERABLES
